HERSETH SANDLIN STATEMENT ON FINANCIAL LEGISLATION

Washington, DC, October 3rd, 2008- U.S. Rep. Stephen

“I’m fully aware of the seriousness of the financial problems in the credit markets a

“Ultimately, I believed it was more important to get it right than to simply pass som

“Therefore, I could not support the solution proposed by the Administration and the

“I am concerned about the rushed timeframe to examine a complicated problem and

“I am deeply concerned over how a very effective measure for which I advocated was

“And I am deeply concerned over the long-term danger posed to the financial system

“Let me conclude by saying that I believe these votes on the bailout package are
